MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Industry structure and development

Axel is a leading Manufacturer of Compounds Blends & Alloys of Engineering Polymers in India. Changing economic and business conditions, technological innovation and technology adoption are making the markets more competitive. The customer focus has shifted to cost saving and alternate solution. Axel always provides the optimum solution to its customer.

These are challenging times across the world. Almost every business every individual is being impacted in these times and your Company is no exception to it. This is the time for us to show what we are made up of. We must work harder and smarter, delight our customers now more than ever. The true spirit is founded on our enthusiasm, on our constant will to renew, on our willingness to assume responsibility and to ensure that we succeed. Your company backed by a list of Multinational and Indian Corporate Giants and remarkable processing talents was able to face those challenges by bolstering talent and cost-effective plans across the company.

Performance Analysis

The performance analysis for the year; we achieved a Net Revenue of Rs. 2437.40/-lacs during the year. The Interest & Finance Costs for the year stood at Rs. 91.40/- lacs, which is nearly 3.75% of the Net Sales & Depreciation at Rs. 33.34/- Lacs. The RMC stood at Rs. 1860.93 Lacs; 76.35% as against this, the RMC in the previous year stood at 81.42% against Net Sales of previous year. Thus, during the current year the RMC decreased by 5.07% which is mainly attributable to the increase in efficiency.

Opportunities & Threats

Compared to the Global crisis, the effect on India was less pronounced. The main factor is the domestic consumption in India is sufficiently large. Sustained domestic growth will bring improvement in all facets of life.

World markets continued to remain in the slump but do recognise the competitiveness of Indian products and services. This will in turn accelerate the pace of the domestic markets too in future.

The Company has launched its own Brand of Polymer Compounds. The market penetration is extremely good and the response received from the new customers was welcome. However, with our presence in the Compounding Industry for nearly 2 decades, made things fall into place with lesser difficulties.

The existing expanded scale of our operations, future developments, low overheads, and qualities of products matching with International Standards are our inherent strengths. This in turn continues to give us unparalleled platform to be more competitive. We are focused to deliver superior values to customers, ensuring International qualities for all the products and services.

Segment wise / Product wise performance

Class of Goods	Unit	Sales Qty (MT)	Value Rs (lacs)
Compounds of Engineering Polymers	MT	5637.137	2437.40

Outlook

We are one of the oldest Companies in the field of Engineering Polymers. With the launch of own Brand of Polymer Compounds your Directors are confident and optimistic of generating additional revenues at a higher rate. The demand for this product will never be in slump due to the sheer size of the Domestic Market.

The New Year started with positive note; Marketing Strategy and efforts to cater to diverse industrial applications were showing results and sales are growing from early parts of the year itself, newer opportunities are showing positive signs and contracted sales opportunities are offered.

Risk Management

Polymer Industry has a certain specific set of risk characteristics, which needs to be carefully evaluated and mitigated. In order to effectively manage the same, the Company has evolved proactive Risk Management System, which is adhered to. The risk management covers the entire process from capital investment, competitors' activities, new entrants etc. Continual reforms and emphasis on technological developments shall reduce the exposure to risk.

Internal Control Systems

There are adequate internal control systems operating in the Company, which are commensurate with the size and operations of the Company. The Audit Committee supervises the checks and controls exercised and reports any suggestions or deviations on a continuing basis. The authority and responsibility of every employee is defined, thus leaving no scope for any deviation.

Further, during the current year the Company has maintained ISO 9001 – 2008 Certification. This has further improved the efficiency and the responsibility of the employees.

Financial performance vis-à-vis Operational performance

Our production and revenues have increased during the current year. There has been an all-round growth in the Polymer market.

The performance analysis for the year; we achieved a Net Revenue of Rs. 2437.40/-lacs during the year. The Interest & Finance Costs for the year stood at Rs. 91.40/- lacs, which is nearly 3.75% of the Net Sales & Depreciation at Rs. 33.34/- Lacs. The RMC stood at Rs. 1860.93 Lacs; 76.35% as against this, the RMC in the previous year stood at 81.42% against Net Sales of previous year. Thus, during the current year, the RMC decreased by 5.07% which is mainly attributable to the increase in efficiency.

The Company has paid all the Financial Commitments to Bank within the stipulated period as per the Audit Report. The production costs in absolute terms, increased during the current year.

Human Resources

The focus is on the capability development, performance management and employee engagement. This is expected to improve the cost competitiveness through greater levels of employee participation, commitment and involvement.

Independent Auditor's Report

To,

To the Members of

AXEL POLYMERS LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of AXEL POLYMERS LIMITED, which comprise the Balance Sheet as at 31st March, 2019, the Statement of Profit and Loss, Statement of Changes in Equity, and Statement of Cash Flows for the year then ended, and Notes to the Financial Statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2019, and its profit and its cash flows for the year ended on that date.

Basis for Opinion

We have conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the code of Ethics issued by the Institute of Chartered Accountants of India together with the Ethical requirements that are relevant to our audit of the financial statements under the provision of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Codes of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the management report and Chairman's statement, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial standalone statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Director is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operation, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of the users taken on the basis of these financial statements.

As a Part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risk of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omission, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedure that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate Internal Financial Controls System in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit finding, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charge with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine the matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section(11) of section 143 of the Companies Act, 2013, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143 (3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss, the Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

- e) On the basis of the written representations received from the directors as on 31st March 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2019 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company does not have any pending litigations which would impact its financial position in its financial statements.
 - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Axel Polymers Limited ("the Company") as of 31 March 2019 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

(1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note:-2

2 (A) Significant Accounting Policies

A.1 Statement of compliance

These financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as “Ind AS”) prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules as amended from time to time.

A.2 Basis of preparation of financial statements

The financial statements are prepared under the historical cost convention on an accrual basis of accounting except following assets and liabilities which have been measured at fair value amount:

- i) Certain financial assets and liabilities, and
- ii) Defined benefit plans – plan assets

A.3 Use of estimates

The preparation of financial statement requires management of the company to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and reported.

A.4 Inventories

Inventories are Valued at lower of cost or net realizable value. Valuation is ascertained on following basis.

- a. Raw materials, stores, spares and consumables on FIFO basis.
- b. Semi-finished goods and finished goods, cost includes direct material and labour and proportion of manufacturing overheads on FIFO basis. Cost of finished goods includes excise duty.

A.5 Cash and Cash Equivalents:

The cash flow statements is prepared by the “Indirect Method” set out in Accounting Standard 3 on “Cash Flow Statement” and presents the cash flow by Operating, Investing & Financing activities of the company.

Cash and Cash Equivalents for the purpose of Cash Flow Statement comprise cash at bank and in hand and short term Investment with the Original Maturity of 3 months or less.

A.6 Property, Plant and Equipments

Property, Plant and Equipments are stated at cost, less accumulated depreciation and impairment, if any. It includes the direct costs attributable to bringing the assets to its working condition for its intended use.

Capital work-in-progress comprises of the cost of the assets that are not yet ready for their intended use at the reporting date.

Intangible assets are recorded at the consideration paid for acquisition of such assets and are carried at cost less accumulated amortization and impairment.

The depreciation during the year has been provided on straight line basis as per Schedule II of the Companies act 2013 since the acquisition of respective fixed assets. The depreciation on fixed

assets is provided on the straight line method considering the useful life and residual value of respective fixed asset.

The useful life of assets as adopted by the company as per New schedule II of the Companies act is listed as under:

Particulars	Useful Life
Freehold Land	20
Building (Factory)	30
Building (Residential)	60
Plant and Machinery	8
Plant and Machinery (Twin Screw Extruder)	20*
Electrical Installations	10
Laboratory Equipment	10
Computers, Server & Networking Device	3
Furniture	10
Office equipment	5
Vehicles - Four Wheeler	8

*Based on an independent technical evaluation carried out by external valuer, the management believes that the useful life of Plant and machinery estimated best represent the period over which the management expects to use these assets. However the useful lives for these assets is different from that prescribed in schedule II of the Act.

A.7 Revenue recognition:

- a) Revenue from sale of goods is recognised when significant risks and rewards of ownership have been passed to the buyer and when the effective control of the seller as the owner is lost. Revenues are recorded at invoice value, net of goods & service tax.
- b) Interest income is recognized on time proportion basis.
- c) Dividend income is recognised when the right to receive payment is established.
- d) Job work income is recognised on completion of job.

A.8 Foreign currency transactions

Exchange differences

Transactions in foreign currencies are recorded at the exchange rates prevailing on the date of the transaction. Foreign currency monetary assets and liabilities are translated at year end exchange rates.

- a) Exchange differences arising on settlement of transactions and translation of monetary items other than those covered by (b) below are recognized as income or expense in the year in which they arise. Exchange differences considered as borrowing cost are capitalized to the extent these relate to the acquisition / construction of qualifying assets and the balance amount is recognized in the Profit and Loss Statement.
- b) Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of transaction. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item. (i.e. translation difference on items

whose fair value gain or loss is recognised in OCI or Statement of Profit and Loss are also recognised in OCI or Statement of Profit and Loss, respectively).

A.9 Employee Benefits

- a) The Company's contribution in respect of provident fund is charged to Profit and Loss Account each year.
- b) The Company pays gratuity to the employees whoever has completed five years of service with the Company at the time of resignation. The gratuity is paid @ 15 days salary for every completed year of service as per the payment of Gratuity Act 1972.

The gratuity liability amount is contributed to the Life Insurance Corporation of India (LIC) under LIC's Group Gratuity policy. The liability in respect of gratuity is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

Re-measurement of defined benefit plans in respect post-employment are charged to the Other Comprehensive Income.

A.10 Borrowing Costs:

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset should be capitalised as part of the cost of that asset. The amount of borrowing costs eligible for capitalisation should be determined in accordance with this Standard. Other borrowing costs should be recognised as an expense in the period in which they are incurred

To the extent that funds are borrowed specifically for the purpose of obtaining a qualifying asset, the amount of borrowing costs eligible for capitalisation on that asset should be determined as the actual borrowing costs incurred on that Borrowing during the period less any income on the temporary investment of those borrowings.

A.11 Segment disclosures:

The company operates in a single business segment, i.e. of manufacturing of compounds, blends & alloys of Engineering Polymers; and also no geographical segments as company operates only in India. Accordingly, no separate disclosures required by AS-17 for primary business segment and geographical segment.

A.12 Lease:-

Finance Leases

Assets acquired under lease where the company has substantially all the risk and rewards of ownership are classified as finance lease. Such leases are capitalised at the inception of lease at lower of the fair value and present value of minimum lease payments. Each lease rental paid is allocated between the liability and the interest cost, so as to obtain a constant periodic rate of interest on the outstanding liability for each period.

Operating Leases

Assets acquired as leases where a significant portion of risks and rewards of ownership are retained by the lessor are classified as operating lease. Operating lease charges are recognised in the Profit and Loss account on a straight line basis over the lease term.

A.13 Earnings Per Share

The Company reports basic and diluted earnings per share in accordance with the IND AS -33 'Earning per Share' prescribed by the Companies (Accounting Standard) Rules 2006. Basic Earning per Share is computed by dividing the net profit or loss for the year by the weighted average number of Equity Share outstanding during the year. Diluted earnings per share is computed by dividing the net profit or loss for the year by the weighted number of equity shares outstanding during the year as adjusted for the effects of all dilutive potential equity share.

A.14 Taxes on Income

The tax expense for the period comprises current and deferred tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the comprehensive income or in equity. In which case, the tax is also recognised in other comprehensive income or equity.

- Current Tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on the tax rates and laws that are enacted or substantively enacted at the Balance sheet date.

- Deferred tax

Deferred tax is recognised on temporary difference between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

A.15 Impairment of Assets:-

The Company tests for impairments at the close of the accounting period if and only if there are indications that suggest a possible reduction in the recoverable value of an asset. If the recoverable value amount of an Asset, i.e. the net realisable value or the economic value in use of a cash generating unit, is lower than the carrying amount of the Asset the difference is provided for as impairment. However, if subsequently the position reverses and the recoverable amount become higher than the then carrying value the provision to the extent of the then difference is reversed, but not higher than the amount provided for.

A.16 Provisions, Contingent Liabilities and Contingent Assets:-

Provision is recognized only when there is a present obligation as a result of past events and when reliable estimates of the amount of the obligation can be made. Contingent liability is disclosed for:-

- a) Possible Obligations which will be confirmed only by future events not wholly within the control of the company or
- b) Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or reliable estimates of the amount of the obligation cannot be made. Contingent Assets are not recognized in the financial statements since this may result in the recognition of income that may never be realized.

C Financial Risk management objectives

The Company's businesses are subject to several risks and uncertainties including financial risks. The Company's documented risk management policies act as an effective tool in mitigating the various financial risks to which the business is exposed to in the course of their daily operations. The risk management policies cover areas such as liquidity risk, commodity price risk, foreign exchange risk, interest rate risk, counterparty and concentration of credit risk and capital management. Risks are identified through a formal risk management programme with active involvement of senior management personnel and business managers. The Company has in place risk management processes in line with the Company's policy. Each significant risk has a designated 'owner' within the Company at an appropriate senior level. The potential financial impact of the risk and its likelihood of a negative outcome are regularly updated.

The risk management process is coordinated by the Management Assurance function and is regularly reviewed by the Company's Audit Committee. The Audit Committee is aided by the CFO Committee and the Risk Management Committee, which meets regularly to review risks as well as the progress against the planned actions. Key business decisions are discussed at the periodic meetings of the CFO Committee and the Executive Committee. The overall internal control environment and risk management programme including financial risk management is reviewed by the Audit Committee on behalf of the Board.

"Liquidity Risk management"

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are required to be settled by delivering cash or another financial asset. The Company manages liquidity risk by maintaining sufficient cash and cash equivalents including bank deposits and availability of funding through an adequate amount of committed credit facilities to meet the obligations when due. The management prepares annual budgets for detailed discussion and analysis of the nature and quality of the assumption, parameters etc.

The following tables detail the Company's remaining contractual maturity for its non-derivative financial liabilities with agreed repayment periods. The information included in the tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay. The tables include both interest and principal cash flows. The contractual maturity is based on the earliest date on which the Company may be required to pay.

- vii. The outstanding balances of Trade Payables, Unsecured Loans, Trade Receivables, Deposits and Loans & Advances are subject to confirmation.

Note 38

Recent Indian Accounting Standards (Ind AS):

Ministry of Corporate Affairs ("MCA") through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified the following new and amendments to Ind AS which the Group has not applied as they are effective from April 1, 2019:

Ind AS 19 – Plan Amendment, Curtailment or Settlement

The amendments clarify that if a plan amendment, curtailment or settlement occurs, it is mandatory that the current service cost and the net interest for the period after the re-measurement are determined using the assumptions used for the re-measurement. In addition, amendments have been included to clarify the effect of a plan amendment, curtailment or settlement on the requirements regarding the asset ceiling. The Company does not expect this amendment to have any significant impact on its financial statements.
